

The '2010 Festival' launched in May 2005, in support of the Masonic Samaritan Fund, has now entered its fourth year. The accumulated total at October 2008 stands in excess of £3.7 million. However this represents only one year's expenditure by the Masonic Samaritan Fund, which last year alone assisted 626 individuals, at a cost of £3.73 million pounds. It is therefore of the utmost importance that we continue our support of the Festival to its conclusion in May 2010, by making further Lodge and Chapter donations to the fund, along with those very important individual donations, which may now be made over a period of 30 months as follows:-

Vice Patron £10

Patron £20

Grand Patron £40

Your continued generosity will ensure that this Festival will be one that the Freemasons of West Lancashire can be proud to be associated with. For any further information you may require regarding the aforementioned please contact your Lodge/Chapter Charity Steward or W. Bro. Howard Linaker, the Group Charity Steward.
