The Secretary's had nothing to Report

Treasurer's Report

The Treasurer reported that at the end of the financial year the General Account stood at £1076.55, this was after the Bonus Ball balance of £570.00 had been transferred. In the current year the General Account stood at £335.91 and the Bonus Ball at £637.64.

Four members had still not paid their subs but he

did not anticipate any difficulty in getting them in. Also that unfortunately Chris & Marie Butterfield had resigned as they do not have the time to attend. Everyone was sorry to hear that they had felt the need to resign and hoped that if in the future circumstances changed they would be back.

Chairman's Update

The Chairman gave a short review of the activities since our last meeting and thanked those who organised them. We had had two walks, both around Parbold, which were organised by Mike & Josephine Billinge. The second was almost rained off when the Pub was flooded. There was also a Day at Haydock Races with a meal at the Farmer's Arms

On the way back, organised by Frank McHugh. It was a very hot day and the few who went had a good time. The September Weekend at The Dunstanburgh Castle Hotel was well attended. With good weather, good food and a far from well stocked bar as they ran out of whiskey. Thanks to Ron Gates for organising it.
