

ROD AND BERYL'S BARBIE

On Saturday, 11 June, Rod and Beryl Thompson hosted their annual barbeque party at their house in Croston. It originally started out several years ago as a summer barbeque gathering for the Preston Masters 2000/01 and their partners. Like Preston Masters of the past and no doubt Preston Masters of the future, the intensive visiting and socialising embarked on by the 2000/01 Masters during their year in the chair forged many firm friendships, not only among the Masters, but also among their partners.

The party on the 11 June this year drew guests from further a field but the atmosphere was, as always, superb and everyone enjoyed a very memorable evening.

On behalf of all those who attended may I take this opportunity to thank Rod and Beryl for their splendid hospitality.
